County Conference 2018

The Development Group decided that there would not be a County Conference in 2018.

Instead the group would look at specific courses such as Safeguarding and Time to Listen for the clubs later in the year targeting those who need them on a date to be advised. The probable venue would be Easton & Ottley College.

Other

Chris Searle commented that Kevin Pickard gave a worthwhile presentation at the "World Class Development Day" at Hertfordshire Sports Centre covering amongst other things longevity in swimming and felt that it might be worthwhile in trying to recreate a similar presentation in Norfolk, by Kevin.

North Norfolk Vikings had also expressed an interest in Kevin Pickard giving a presentation to their swimmers and parents nutrition and motivation.
